THE PERFECT CANDIDATE

What do you need to do to join the #Yachting Industry?

You need to attend some courses to be able to legally work on a yacht

STCW 95

It is essential you have your **STCW 95** to enter yachting regardless of the job you are doing.
A-VI/1 of the STCW Code.
- **STCW Personal Safety & Social Responsibilities.**
- **STCW Fire Prevention & Fire Fighting.**
- **STCW Personal Survival Techniques.**
- **STCW Elementary First Aid.**

COST: 500€-1000€

ENG 1

All members of crew must have a seafarer medical fitness certificate to work at sea.

ENG1 certificate can only be issued by a Maritime and Coastguard Agency - ***MCA** approved* doctor.
We would recommend getting this before spending money on other courses as if you fail the medical you won't be able to get a job.
