

## Step-by-step guide for doing the laundry

### 3. Select your laundry product (anex1)

The type(s) of laundry product(s) required depending on the load. Typically, you will be able to use a main-wash detergent. Very delicate fabrics, such as silk or wool, require special care.

#### **ESDOGEN ALKAPLEX - Sodium Hydroxide - Alkaline**

Reinforcing oil and grease stains

#### **ESDOGEN DETERGENT - Ethoxylated Alcohol - Universal Detergent**

Detergent for any non-delicate fabric

#### **ESDOGEN BOOSTER - Enzymatic and humectant**

Wash reinforcement and protein stain remover.

#### **ESDOGEN DESINFECT - Hydrogen Peroxide and Acetic Acid**

Disinfection and bleaching
